# Life Cycle Initiative Steering Committee Election 2025 Results

This year's Steering Committee elections saw a good number of candidates nominating for the Steering Committee: two for the government constituency, five for the business constituency and three for the Science/Civil Society constituency.

We are very grateful for the interest shown by these candidates. We congratulate all the new members of the Steering Committee, and we thank the rest of the candidates for their interest and participation.

Thank you also to all the Life Cycle Initiative members submitted their ballots in these elections.
